

We hope you enjoy a well-deserved break after Term 3 this year. No matter how challenging it's been, we know you've had many achievements as well.

There's a bright future ahead and, with your support, we'll continue to help your students navigate a clear path to success at La Trobe.

La Trobe is in the top 1% of universities worldwide

La Trobe University has climbed the university rankings and is now within the top one per cent of universities worldwide (THE, [World University Rankings 2021](#)).

Add to that, employers rank our graduates the most innovative and adaptable in Victoria (QILT, [2019 Employer Satisfaction Survey](#)).

Students receive their Aspire offers

What a year it's been for La Trobe's [Aspire Early Admissions Program](#). For the first time, we've rolled out offers as applications are still open. Plus we've had more applications than ever before.

All successful students will receive their offer by **18 September**. None of this could've been achieved without your continued support, so thank you.

Remember, any student who applied has access to the Aspire Advantage: hundreds of free VCE, HSC and IB study guides from EdUnlimited. They can also sign up to free [Year 12 revision lectures](#) during the September school holidays.

What's on

Regional Career Practitioners and Teachers Conference

Join us this year for our virtual Regional Career Practitioners and Teachers Conference. You'll hear from our Pro Vice-Chancellor (Regional), **Dr Guinever Threlkeld**, who'll update you on La Trobe's new regional strategy.

Guest speakers include **Dr Anne Southall**, who'll speak on the impact of COVID-19 and how we can support you to respond to your students' wellbeing.

La Trobe's Open House

Our virtual Open House helps students make an informed choice with live webinars. You can explore La Trobe campuses with virtual tours and get the answers to your questions about degrees, pathways, scholarships and more. These sessions will also be available on demand, so you can watch them at a time that suits you.

New pathways to La Trobe

The ATAR is just one way to get into university – and our research has shown it's not the only predictor of success. We recognise the significant impact COVID-19 has had on Year 12s this year, so we're

offering two new pathways. [Achieve at La Trobe](#) and [Prepare for La Trobe](#), suited to VCE (including unscored), HSC and VCAL (senior) students.

Explore all our [school leaver pathways here](#). Confused about what to advise? Try our handy [pathways flowchart](#) to match the pathway to the student.

Living on campus

For many of you, students will be asking questions about leaving home and living on campus.

Accommodation booklets are now available. All we need is your postal address and the quantity you want shipped to you.

The Matildas are coming to La Trobe

La Trobe's world-class Sports Park will now be home to the Matildas, Football Victoria and Rugby Victoria. The facility will be the Victorian base for Football Federation Australia's national women's programs – led by the world number seven ranked, Sam Kerr, captain of the Matildas – and the training, high performance and administration centre for Football Victoria.
