Hi Hammad,

We hope your Year 12 students are feeling a sense of relief and excitement after finishing their exams.

Although many will have a straightforward journey to university, some may just miss out on the ATAR they need for their dream course. We'll be here to help them find another way to reach their goal during Change of Preference.

You can hear more about what's planned for change of preference in our [Career Practitioner Information Session](#) webinar at **9.30 am on 2 December**.

Prepare Accelerate – summer pathway program

Over summer, we'll be running a special version of our Prepare program, called Prepare Accelerate. If a student undertook VCE/HSC unscored, or didn't get the ATAR they were aiming for, Prepare Accelerate is here to get them back on track to start uni in Semester 1, 2022.

Students complete 3 micro subjects from **3 January to 15 February**, taught entirely free and online in a supportive environment. We'll use their average grade to calculate a La Trobe Entrance Score for admission to our Diploma and Bachelor courses.
