NEW LA TROBE UNIVERSITY HEALTH CLINIC

\$82m investment to tackle health worker shortage

La Trobe University's new Health Clinic at Bundoora will be Victoria's largest interdisciplinary university clinic, training 400 additional allied health professionals annually from 2026. The state-of-the-art facility offers public healthcare services including orthoptics, speech pathology, podiatry, psychology, dietetics, physiotherapy, audiology and occupational therapy. The facility will also provide students with clinical placements and hands-on experience, ensuring they are workforce-ready and confident to enter the workforce. Part of La Trobe's \$170 million health innovation investment, it's due for completion in July 2026.

ASPIRE EARLY OFFER PROGRAM

WHAT'S THE ASPIRE EARLY OFFER PROGRAM?

At La Trobe, there's more than one way into uni. The Aspire Early Offer Program gives secondary school students the option to secure an early conditional offer to La Trobe before finishing Year 12.

ASPIRE STREAMS

We have three streams to choose from, so if you've given back to your community, did well in Year 11, or have a strong drive to make a future impact, then you can secure a spot in your dream course before finishing Year 12.

- **Aspire Community Impact**
- **Aspire Academic Impact**
- **Aspire Everyday Impact**

Need more information?

Give us a call on 1300 135 045

Send us an email:
study@latrobe.edu.au

ASPIRE EARLY OFFER PROGRAM

At La Trobe, there's more than one way into uni. The Aspire Early Offer Program gives secondary school students the option to secure an early conditional offer to La Trobe before finishing Year 12.

With Aspire, you'll have the option to gain an offer into a wide range of course options across our campuses. No matter if you're studying in Melbourne, regionally in Albury-Wodonga, Bendigo, Mildura and Shepparton, or online – Aspire can set you up with an early offer into your dream course at uni.

We have three streams to choose from, so if you've given back to your community, did well in Year 11, or have a strong drive to make a future impact, then you can secure a spot in your dream course before finishing Year 12:

- Aspire Community Impact
- Aspire Academic Impact
- Aspire Everyday Impact

Applications are now open and will close on the 5 of September.

Find out more

ASPIRE BENEFITS

Take the stress out of year 12, and step into the future with an early conditional offer to La Trobe through the Aspire Early Offer Program. Students will benefit from a range of rewards from the moment they apply:

- Early conditional offer into La Trobe
- Rewarded with an Aspire ATAR or No ATAR for selected streams
- Access to exclusive study support from ATAR Notes+
- Priority Accommodation
- Travel bursary for study abroad opportunities

ASPIRE PARTNERS

Volunteering with one of our partner organisations? Submit details of your volunteering with your Aspire application and you will receive an automatic conditional offer* at La Trobe University. Our partners include:

- | | |
|---------------------------------|---|
| • SES Victoria | • Little Dreamers |
| • Scouts Victoria | • St John Ambulance |
| • CFA | • Awards Vic – The Compass Award |
| • Bendigo Health | • Duke of Edinburgh's International award – Australia |
| • St Vincents De Paul (Vinnies) | |

*The automatic conditional offers with our partners means that we are pleased to offer you (at minimum with us) a secured place or an alternate pathway at La Trobe as your Aspire early offer. It does not automatically guarantee the course preference/s listed in your Aspire application or the conditional offer due to some course caps and the early offer assessment ranking. Your Aspire application will be assessed accordingly.

COURSE FEATURE

BACHELOR OF LAWS (HONOURS)

ENTRY REQUIREMENTS

ATAR: 90.40 – Melbourne (Bundoora)
84.15 – Bendigo

PREREQUISITES

VCE: Units 3 and 4: a study score of at least 30 in English (EAL) or at least 25 in English other than EAL.

HSC: One of English Standard, English Advanced (Band 3), English as an Additional Language or Dialect (Band 4).

ABOUT

Build the knowledge and expertise to establish yourself as a forward-thinking legal professional with La Trobe's Bachelor of Laws (Honours).

Combine intellectual and skills-based legal training with a progressive approach to law. Explore the principles of key areas of legal practice, then tailor your degree to your career goals with a range of electives. Study how legal practice shapes the most pressing challenges of our time, including contract law, environmental law, international law, intellectual property law, cyber law and policy.

By completing La Trobe's Bachelor of Laws (Honours), you will:

- develop key skills in negotiation and examine the processes of arbitration, conciliation and mediation in private and commercial disputes
- build your understanding of the criminal justice system, apply criminal law to real-world scenarios and provide legal advice
- apply the legal principles governing the creation, interpretation and termination of a contract
- hone your skills in critical thinking, research, writing and teamwork, then apply them with work-integrated learning opportunities in community legal centres, law firms and government agencies.
- join our leading moot court program, with opportunities to take part in competitions both nationally and internationally
- complete the subjects required by the Victorian Legal Admissions Board (VLAB) to meet the requirements for admission to the legal profession in Victoria.

STUDENT SPOTLIGHT

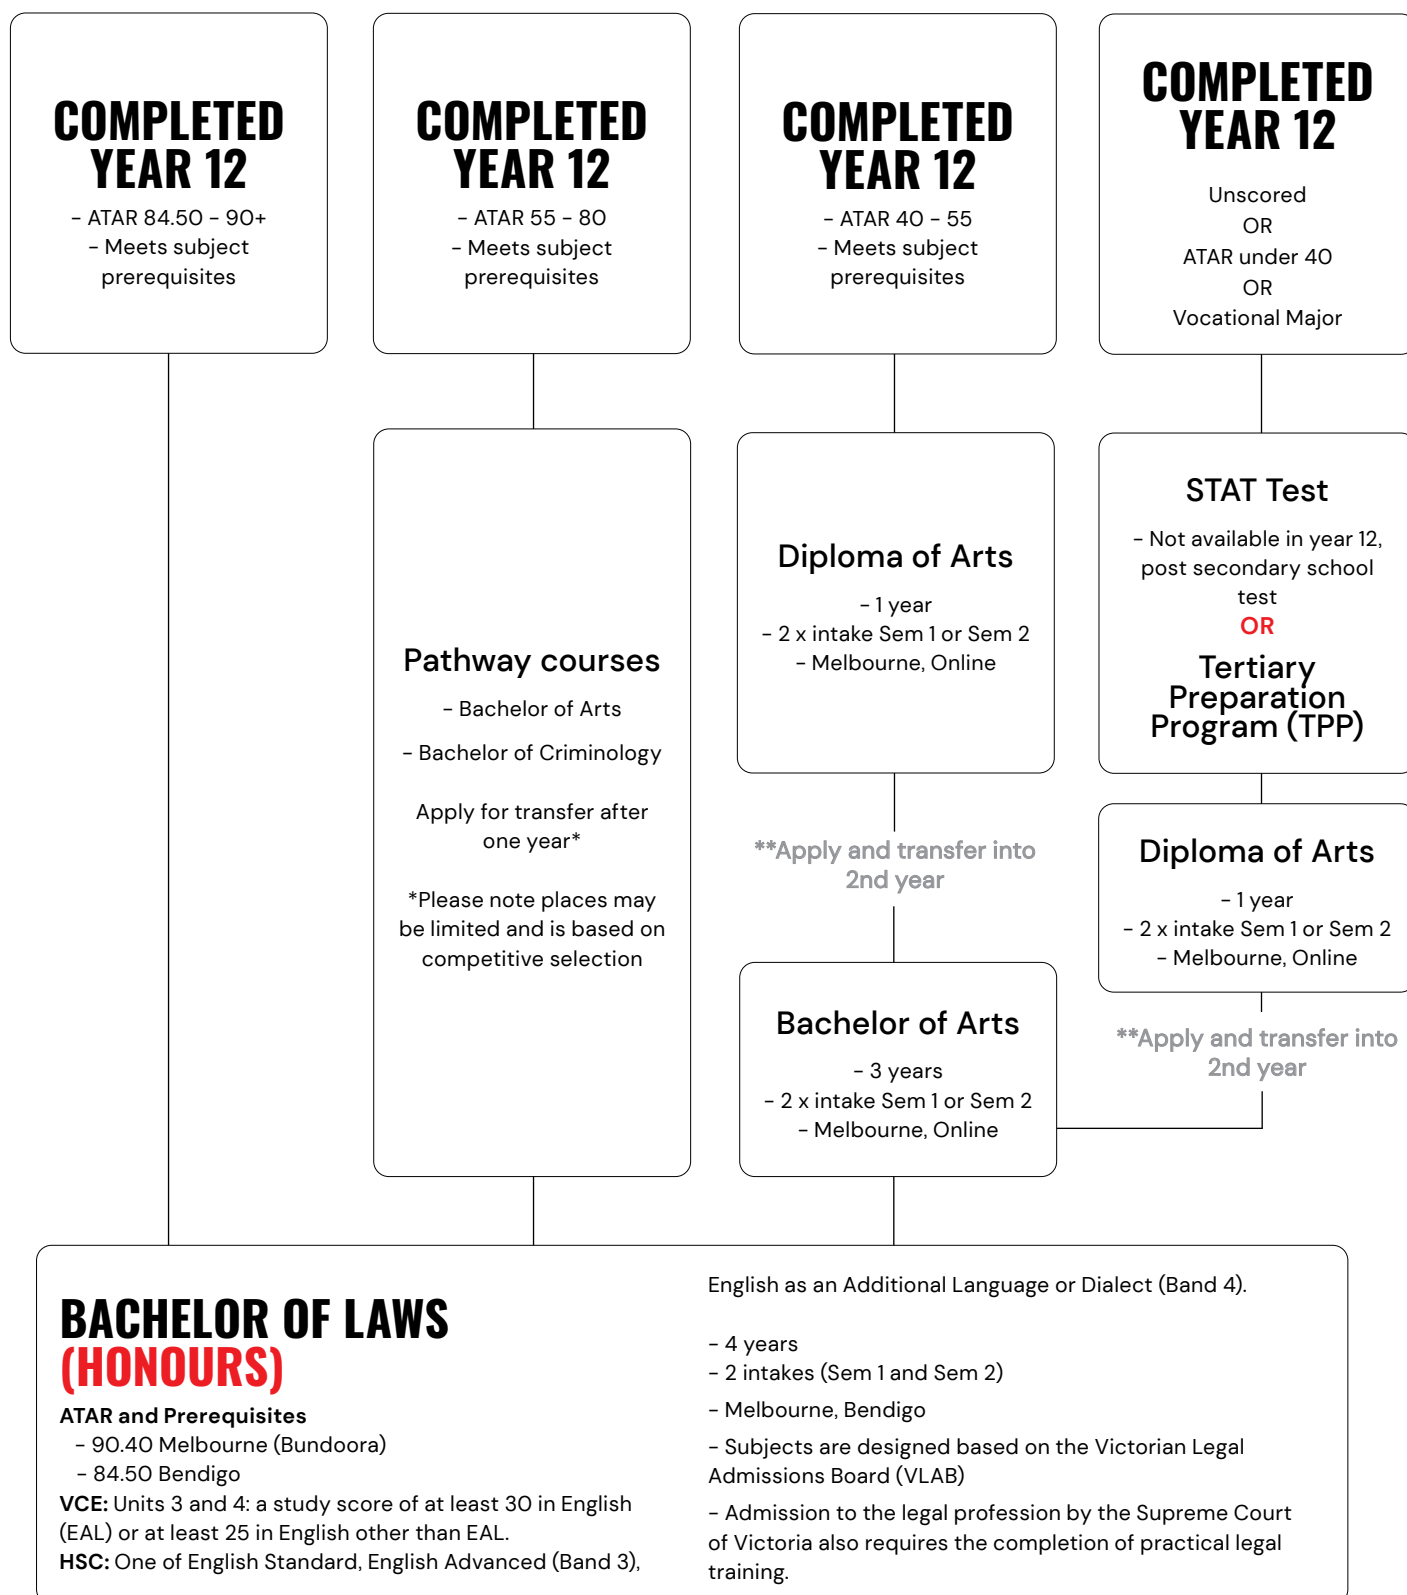

'I chose La Trobe law because I knew I'd use the skills in any sector. For me, being in court was a game changer; I discovered a passion that's led to community volunteering, advocacy, awards and youth leadership. I'm excited to see where it takes me next.'

*Khayshie – Bachelor of Laws
(Honours)*

BENDIGO TALK & TOURS

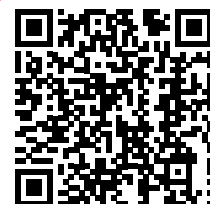

EXPLORE THE BENDIGO CAMPUS

Campus Talk and Tours are back for the July school holidays! Don't miss your opportunity to explore what the Bendigo campus has to offer.

Have a course on your mind? Join us at one of our many talk and tour sessions between Monday 7 July to Wednesday 9 July. This is your chance to meet a course expert and find out what it's like to study with La Trobe:

- Ask questions
- get a taste of uni, and
- feel ready to start your dream course

You'll meet our student ambassadors and take a tour of the Bendigo campus, check out the facilities and get a feel for our on-campus accommodation.

Monday to Wednesday
(7-9 July)

10 am - 1.30 pm

La Trobe University, Bendigo
Campus

CARLTON COLLEGE OF SPORT

The Carlton College of Sport offers two higher education diplomas:

Diploma of Elite Sport Business and the Diploma of Sport Coaching and Development

Facilitated by La Trobe University, students will study at IKON Park, the home of the Carlton Football Club, with access to high-performance facilities. Students are immersed in the day-to-day environment of the sporting industry.

Students can pair their studies with an experiential option of either:

- Placement Experience Program: 100 hours of relevant industry experience with the Carlton Football Club and industry partners to help build a network and CV.
- Football Development Program: Take your game to the next level with the opportunity for aspiring footballers to spend a year undertaking an AFL/AFLW equivalent football program at the Carlton Football Club

Accreditation

The Diploma of Sport Coaching and Development is accredited by the Australian Strength and Conditioning Association (ASCA). Both Diplomas offer credits and entry opportunities into a range of associated bachelor degrees at La Trobe University.

Four Carlton College of Sport graduates are offered roles at Carlton Football Club upon course completion, selected from both Diploma offerings.

HIGH PERFORMANCE SPORT IN SCHOOLS

The later years of school can be the launching pad for students expressing an interest in the wide world of sport. With our world class facilities and experts right at their fingertips, we offer several hands-on educational programs to help guide students during their secondary school years and beyond.

Our VCE Physical Education packages allow students the opportunity to solidify their learnings in our state-of-the-art Sport Performance Hub laboratories – just like the real world. With four packages available in line with the curriculum, there really is no better way for your students to get a real-world approach to learning:

- Exercise Physiology Lab
- Strength & Power Lab
- Thermoregulation & Heat Training Lab
- Biomechanical Principles Lab

Sport Performance Programs

Looking to take your sports camps or school excursions to the next level? La Trobe Sport can offer your students a valuable insight into the way of life for elite athletes by training in the facilities they do.

We have tailored our packages with a hands-on approach to ensure students walk away with more knowledge of themselves; be it in their current year or giving them tips and tools that they can take away well beyond their school year.

COURSE FEATURE

BACHELOR OF ORTHOPTICS (HONOURS)

ENTRY REQUIREMENTS

ATAR: 80.1 – Melbourne (Bundoora)

PREREQUISITES

VCE: Units 3 and 4: a study score of at least 30 in English (EAL) or at least 25 in English other than EAL.

Units 3 and 4: a study score of at least 25 in one of Biology, Chemistry, Health and Human Development, Physical Education, Physics, Psychology or any Mathematics.

ABOUT

Orthoptists are allied health practitioners who specialise in the detection, diagnosis and treatment of eye disease. Our orthoptics degree will enable students to begin a rewarding career in a specialist eye care setting. Students develop the knowledge and skills for advance treatment of children and adults with vision problems.

Students explore the anatomy and physiology of the eye to understand vision and visual function, and learn how to help people with eye disorders, eye diseases and low vision. In our training laboratories students learn how to use specialised technology such as retinal cameras and ultrasonography instruments with optical vision aids.

Clinical experiences begin from the second year of the program, with placements in hospitals with dedicated eye clinics, private eye clinics, low vision rehabilitation organisations and our on-campus eye clinic. The hands-on experience students receive helps to develop essential clinical competencies before graduation. Additionally there are local and international opportunities to further develop clinical expertise through programs with our partners

PROFESSIONAL RECOGNITION

The Bachelor of Orthoptics (Honours) is accredited by the Australian Orthoptic Board (AOB). Graduates may be eligible to apply for membership with the Orthoptics Australia, the International Orthoptic Association, and the Royal Australian and New Zealand College of Ophthalmologists. Additional requirements may apply—please check with the relevant professional body.

STUDENT SPOTLIGHT

'I highly recommend the La Trobe Eye Clinic to children, parents and carers. We are there to provide the best care to our clients. And for students, it is an unforgettable experience – grateful to graduate with great knowledge and opportunity to learn best practice.'

Jessica – Bachelor of Orthoptics (Honours)

COURSE FEATURE

BACHELOR OF PODIATRY (HONOURS)

ENTRY REQUIREMENTS

ATAR: 89.75 – Melbourne (Bundoora)

PREREQUISITES

VCE: Units 3 and 4: a study score of at least 30 in English (EAL) or at least 25 in English other than EAL.

Units 3 and 4: a study score of at least 25 in one of Biology, Chemistry, Health and Human Development, Physical Education, Physics, Psychology or any Mathematics.

ABOUT

La Trobe is the oldest and largest podiatry school in Australia. We currently train over one-third of Australia's podiatry students. Our course is designed with our students in mind by partnering with a range of professional organisations for accreditation and registration. Graduates may be eligible to work overseas in countries like the United Kingdom, Singapore, Canada and New Zealand, subject to each country's registration requirements.

Students explore topics such as human anatomy, physiology, medical conditions, pharmacology, paediatrics, biomechanics, and sport injuries and management. Our labs are equipped with the latest technology including specialised podiatry equipment such as gait analysis systems, 3D laser scanners to manufacture foot orthoses and doppler ultrasound to assess blood flow.

The course prepares students to be graduate ready through the development of strong clinical practice skills. Students benefit from placements in hospitals, specialist clinics and private practices around Australia, with optional overseas placements. Students also design, manufacture and modify foot orthoses, and treat real patients at our on-campus clinic.

PROFESSIONAL RECOGNITION

The Bachelor of Podiatry (Honours) is accredited by the Podiatry Accreditation Committee (PAC). Graduates may be eligible to apply for registration with the Podiatry Board of Australia (PBA), subject to additional requirements. Please contact the relevant body for details.

STUDENT SPOTLIGHT

'I knew that I wanted to do a hands-on course that allowed me to interact with patients. I liked that the course included time at the La Trobe Podiatry Clinic and allowed for students to experience various parts of the podiatric field throughout the course.'

Julia – Bachelor of Podiatry (Honours)

COURSE FEATURE

BACHELOR OF SPORT AND RECREATION MANAGEMENT

ENTRY REQUIREMENTS

ATAR: 59.7 – Melbourne (Bundoora)

PREREQUISITES

VCE: Units 3 and 4: a study score of at least 25 in English (EAL) or at least 20 in English other than EAL.

ABOUT

Learn from the experts how to manage and deliver community-based sport, recreation services and programs. La Trobe is one of the world's top 50 universities for sport and is home to La Trobe's \$150 million Research and Innovation Precinct and sports park.

Students not only gain practical experience through access to these facilities they also have the opportunity to build their skillset through practical industry placement with leading sports and recreation organisations, completing 200 hours of industry placement. Students will explore topics such as sport and recreation program design, delivery and evaluation, policy writing, planning and more

Discover how to provide a range of experiences and community events that drive physical activity, community development and general wellbeing outcomes for individuals and communities. Develop an understanding of sport and recreation management and policy, needs assessment and evaluation, planning and programming, service delivery, community engagement and how to work with volunteers.

CAREER OPPORTUNITIES

Once you graduate, you'll be ready to launch an in-demand career in leadership and management in the sport and recreation sector. Possible roles include:

- Sport administrator, officer or manager
- Sport management educator, leader or trainer
- Sport manager
- Advertisement and sponsorships
- Recreation program manager
- Corporate partnerships
- Media and marketing
- Public relations
